UPRIGHT BIKE

MODEL # FMEX82418

SMARTSERIES™ POWERED BY iFIT®

The u10.9b Upright Bike matches your mood. With an intuitive console, the bike is easy to use for those times you want to get on and go. However, when you're looking for adventure, sync your smart device to follow a workout filmed in Europe, Africa or Hawaii -- the bike will recreate the actual route with breath-taking video and automatic speed and resistance that matches the terrain.

SMARTSERIES™ u10.9b UPRIGHT BIKE

PRODUCT FEATURES

SIMPLIFIED USER INTERFACE

Users can keep an eye on everything that keeps them motivated: RPM/speed, distance/time, watts/calories, level and heart rate on the LED display.

iFIT® ENABLED WITH SMARTPHONE OR TABLET (COMING WINTER 2018)

The console of the u10.9b Upright Bike goes from simple to interactive when synced with a smartphone or tablet. As the industry's first "Bring Your Own Device"-solution, the elliptical has resistance matching technology to recreate the actual terrain of video workouts filmed around the world.

PRESET PROGRAMS

8 Weight Loss, 8 Speed Interval, 3 Race Training, 3 Hill Climb, Heart Rate

DIGITAL RESISTANCE CONTROL

No hand cranks needed, this bike's digital resistance makes it easy to control how tough the workout is.

1-24 RESISTANCE LEVELS

With a full range of resistance levels, this ride meets clients at their current fitness level and helps them reach the next one.

ELECTRONIC READOUTS

Speed, Resistance, RPM, Distance, Calories, Time, Heart Rate, Warrs, Pace, Enter + / - Button for Age and Weight.

QUICK SELECT START & STOP

Start and stop the workout at anytime with the simple touch of a button.
